

The Canadian Transplant Society is launching a new program in the summer of 2022 for used clothing and cloth.

As a nationally recognized charity from all levels of government we must be as careful and diligent as we can. So, you can also be assured of your reputation. Join us in the life saving life enhancing mission.

“Help save a Life” You’ll
Be glad you did!

Life Saving Clothing Bin

RECYCLE MORE.

Our objective is to collect clothing with your sponsorship by placing a bin on your premises. We brand your organization on the bin.

The funds will sponsor life saving projects providing life and enhancements for those in need.

Imagine giving sight to a mother who has never seen her children.

Life to an unfortunate burn victim

And

one donation can save as many as

8 Lives !

Help Us Help Everyone!

It's easy being green- Reduce, Reuse, Recycle.

SPONSORSHIP PROGRAM

Our sponsorship program is simple, concise and benefits everyone involved here it is in 4 easy steps:

A) CTS bin is placed on your property

WE INSURE IT!

B) You sponsor the bin for a yearly fee of \$1499 paid to CTS (charitable receipt will be issued)

C) CTS and Sponsoring company logo are put on the Bin on two sides

D) CTS is responsible for pickup, maintenance.
